Folding Loupes

The Hastings and Coddington folding loupes are a high quality, heavy duty magnifier made from glass lenses and a steel case. The multi-lens magnifiers can be used alone or in combination to produce several different powers.

Description

Hastings 7X
 Coddington 10X
 Coddington 14X
 3X + 4X (7X) Dual Lens
 5X+7X (12X) Dual Lens
 5X+7X+9X (20X) Triple Lens

Part No.

40-236-2
 40-233-9
 2272-0740
 2272-0800
 40-224-8
 40-234-7

Light Loupe

Clear 10X lens, shielded by a hard plastic holder. Built in light for clear vision even in dark applications.

Part No. 40-158-8

Optivisor

A comfortable visor that allows the magnifier to be pushed out of the way when not in use. It uses optical glass lenses that are ground and polished to precision optical standards for superior magnification. Optilupe add an additional 2 1/2X to either of the optivisors for a more detailed inspection.

2X Optivisor Part No. 40-180-2
3 1/2X Optivisor Part No. 40-185-1
2 1/2X Optilupe Part No. 40-187-7
