

NUMBER STAMPS

Die Quip's number stamps are available in multiple sizes along with standard and heavy duty sets. The sets are made up of numbers 0-8 with number 6 being inverted to stamp 9. They can be used to mark steel up to 50Rc are durable against rust and come in a fitted case.

Standard Sets

Our standard number sets are machine made to produce an economical stamp with sharp Gothic numbers to insure a deep, clear impression. They come with a single thumb groove for easy use.

Part No.	Number Size
2337-7000	1/16" (1.6mm)
2337-7002	3/32" (2.4mm)
2337-7004	1/8" (3.2mm)
2337-7006	3/16" (4.8mm)
2337-7008	1/4" (6.4mm)

Heavy Duty Sets

Die Quip's heavy duty number stamp sets are made to meet the demands of rigid service. They are extra-heavy-duty with a longer length shank with heavy supporting bevel. The number and size is marked on the shank along with three thumb grooves for a better grip.

Part No.	Number Size
2337-7300	1/16" (1.6mm)
2337-7302	3/32" (2.4mm)
2337-7304	1/8" (3.2mm)
2337-7306	3/16" (4.8mm)
2337-7308	1/4" (6.4mm)
